From (Name) Major-General H. Stott, C.I.E., O.B.E., M.D F.R.C.P., D.P.H., K.H.S., I.M.S.,
(Designation) Surgeon-General with the Govt. of Madras.

To The Secretary to the Government of Madras,

Education and Public Health Department.

Sir, ✕ (V)

In G.O. No. 482 Public Works dated 8-3-40 the Government were pleased to approve an expenditure of Rs. 14,600/- on improvements to the water supply system of the Headquarters Hospital, Mangalore, and remodelling the existing latrines therein with flushing arrangement. A provision of Rs. 6,600/- was also made for the work in the Budget Estimate for 1940-41 under "50-a- Civil Works - Original Works - Buildings - Medical". The Superintending Engineer, Coimbatore Circle, reports that the work could not be introduced in 1940-41 since the detailed estimate could not be got sanctioned in time as particulars regarding type design for latrines and the water supply were under correspondence with the Executive Engineer and Sanitary Engineer. Hence the full grant of Rs. 6,600/- for 1940-41 was resumed in G.O. No. R. 315 Finance dated 20-3-1941.

P 1084 (X)

A provision of Rs. 10,000/- has been made for this work in the current year - vide item 25 on page 11 of the Civil Wor

2

Works Budget for 1941-42 but this sum cannot be incurred on
without obtaining fresh sanction of Government as the work w
not started last year and as such it cannot be classed as a
work in progress in the current year. A revised approximat
estimate amounting to Rs. 21,000/- for the work in question p
pared by the Superintending Engineer is accordingly forwarde
for the revised administrative approval of Government. The
necessity for the revision is explained in the report accom-
panying the revised estimate. Details wherever possible ha
also been furnished in it. It is requested that funds to t
extent of Rs. 21,000/- as against Rs. 10,000/- may kindly be
allotted to complete the work in the current year itself. T
Superintending Engineer states that detailed plans and estim
will be prepared after the administrative approval is accord
to the scheme.
